

Dear Valued Guests

In order to ensure a sustainable life and future for the next generations, the change of bed linen, sheets, and pillowcases will be carried out every two days.

We thank you for your sensitivity and contribution to environmental protection.

Dear Valued Guests,

As part of our sustainability efforts at Villa Zurich Hotel, we are pleased to collaborate with you—our esteemed guests—in achieving our solid waste reduction goals. Our mission is to offer an environmentally conscious accommodation experience while minimizing waste and preserving natural resources.

You Can Support This Effort:

Use Digital Information Sources

- Help us reduce paper consumption by accessing hotel information through our digital platforms. You can find all essential details on our in-house digital screens and guides.

Utilize Waste Separation Bins

- Contribute to recycling by using the waste separation bins available in your room and throughout the hotel. Sorting paper, plastic, glass, and metal waste increases our recycling efficiency.

Choose Recyclable and Low-Packaging Products

- At our restaurant and café, you can reduce packaging waste by selecting products with recyclable or minimal packaging.

Conserve Water and Energy

- Help lower environmental impact by reducing water and energy use. Turn off electrical devices when not in use and avoid wasting water.

At Villa Zurich Hotel, we are committed to providing a sustainable and eco-friendly stay. With your support, we believe we can take meaningful steps toward a more sustainable world—together.

Thank you, and we wish you a pleasant stay.

With warm regards,
Villa Zurich Hotel

Revizyon Tarihi:

Dear Valued Guests,

At Villa Zurich Hotel, we are committed to building a future grounded in sustainability. We have embarked on a journey to offer a sustainable hotel experience by combining our hospitality and comfort with our environmental responsibilities. We are proud to share this commitment with you, our valued guests, as it guides us in our mission to make the world — and your experience — a better place.

Environmental Awareness:

Villa Zurich Hotel places great importance on the protection of nature and the environment. By adopting energy-saving technologies, we minimize our carbon footprint and are committed to using sustainable energy sources. Through our waste reduction and recycling programs, we protect the environment and demonstrate our respect for local ecosystems.

Corporate Social Responsibility (CSR):

Villa Zurich Hotel embraces its responsibility towards communities and social responsibility initiatives. We actively support local economies and participate in social projects focused on education and healthcare. By promoting social balance, we aim to leave a positive impact on the communities where both our guests and employees live.

Guest Experience and Awareness:

Providing a sustainable stay is one of Villa Zurich Hotel's top priorities. We organize interactive activities, sustainability tours, and educational programs to raise awareness among our guests about environmental consciousness and sustainability. Additionally, by switching to more sustainable and eco-friendly products in our rooms and throughout the hotel, we enhance our contribution to the environment—without compromising your comfort.

At Villa Zurich Hotel, we are committed to creating unforgettable memories for our guests while fulfilling our responsibility to protect nature, communities, and future generations. Together with you, we will continue to work tirelessly to build a greener, fairer, and more sustainable world.

With our highest regards,

Dear Valued Guests,

At Villa Zurich Hotel, while providing you with an unforgettable stay, we also deeply value respecting the rich history and culture of our region. To invite you to explore this precious heritage and contribute to its preservation, we would like to share the following information with you:

Historical Richness:

- The area where Villa Zurich Hotel is located is distinguished by its thousands of years of history. It encompasses many treasures, from ancient ruins to historic buildings.

Cultural Diversity:

- Understanding and appreciating the cultural diversity of the region will enrich your experience. Local festivals, traditional handicrafts, and regional cuisine are just a few examples of this diversity.

Our Role:

- At Villa Zurich Hotel, we are aware of our responsibility to protect historical and cultural heritage. We pay close attention to details that reflect the history of the region and aim to keep the cultural heritage alive.

Your Participation Matters:

- Exploring local history and culture is a wonderful way to truly contribute to the region. We encourage you to visit nearby museums, historic sites, and events to fully enjoy this experience.

Sustainable Tourism:

- To support the sustainability of historical and cultural heritage, please remember to act respectfully towards the environment and local communities. Preserving natural and cultural resources is a responsibility we all share.

Villa Zurich Hotel warmly invites you to embark on this unique historical and cultural journey. We strive to make your stay even more meaningful and special.

We wish you a pleasant stay and welcome you to our region!

With our sincere regards,
Villa Zurich Hotel

Dear Valued Guests,

At Villa Zurich Hotel, driven by our responsibility to the environment and future generations, we implement sustainable solutions for energy conservation and kindly invite you to contribute as well.

Why Is Energy Conservation Important?

- **Eco-Friendly:** Saving energy is crucial to preserving natural resources and reducing our carbon footprint.
- **Cost Reduction:** Energy conservation lowers operating costs, providing long-term economic benefits.

What Are We Doing?

- **Smart Lighting Systems:** We optimize energy consumption by using smart lighting technologies throughout our hotel.
- **Energy-Efficient Devices:** We replace equipment with energy-efficient models to further reduce energy use.
- **Awareness Programs:** We raise energy-saving awareness through training sessions with our staff and guests.

How You Can Help:

- **Contribute to Energy Awareness:** Please turn off lights and electronic devices when you leave your room.
- **Support Towels and Linen Program:** Help us minimize unnecessary changes by reusing towels and linens when possible.
- **Eco-Friendly Actions:** Please sort your waste to aid recycling efforts.

Together, by working hand in hand to save energy, we invite you to help create a sustainable future. Every small step contributes to a greater change!

With our sincere regards,
Villa Zurich Hotel
